#### ADDITIONAL STATEMENTS

## EAST LANSING PUBLIC LIBRARY CELEBRATES 75TH ANNIVERSARY

• Mr. ABRAHAM. Madam President, I rise today to recognize a very special occasion in the state of Michigan. September 27, 1998 will mark the 75th Anniversary of the East Lansing Public Library in East Lansing, Michigan. This day is not only significant due to this celebration but also because it will mark the completion of a \$2 million addition and renovation project.

The history of the East Lansing Public Library is very interesting. It has grown from just a few shelves of books in a room provided by the People's Church and a fund of \$26 set up by the women of the Child Conservation League in 1923, to a 25,000 square foot building that serves over 125,000 visitors a year. All of the people who have helped this institution grow and prosper over the years should be commended for their efforts and dedication.

I extend my best wishes and congratulations to the East Lansing Public Library on this momentous occasion. The East Lansing community is fortunate to have such a wonderful library. I wish them all of the best in the future.

# EFFECTS OF THE FARM CRISIS ON OUR COMMUNITIES

• Mr. DORGAN. Madam President, I want to make some remarks on the subject of the farm crisis that exists in North Dakota and other parts of the country. North Dakota is faced with a combination of collapsed grain prices and crop disease. This has produced a farm crisis that is very, very serious and to which this Congress must respond.

In my home State of North Dakota, net farm income has dropped 98 percent in 1 year. That's right; a 98-percent drop in net farm income in 1 year. Ask yourself what would be the result for you, your neighbor, or your community, if you experienced a 98-percent drop in net income?

Many third and fourth generation farmers have been unable to get an operating loan this season due to low grain prices. They have had so many auction sales on North Dakota farms that they have had to call retired auctioneers back from retirement to handle the auction sales. Every one of these auction sales represents a family farmer who has worked hard, and invested everything they have, to run a family farm. And then they discover they can't make it.

I'd like to share it with you a poem written by Luella F. Hermanson of Hampden, North Dakota. She describes what the farm crisis has done to her community and what it will do to ours unless we take decisive action.

WHEN THE FARMERS ALL SHUT DOWN (By Luella F. Hermanson of Hampden, North Dakota)

They're selling out my neighbor It's his auction sale today Life's hard out in the country We can't farm the good old way Remember neighbor helping neighbor It's not like that anymore We're hanging on by just our boot straps Wondering what we have in store What will our city cousins do When the farm boys move to town Will there be jobs for all of them When our farms are all shut down Who'll buy that big machinery Standing idle on the lots And the gas and parts and fuel oil They might have to close their shops Who'll buy the fertilizer and the spray to kill the weeds They'll probably close the diner There'll be no one left to feed There'll be no grain to borrow on So the bank will close its door The insurance boys will duck and run When we can't pay them anymore Who'll buy the tractors, plows and trucks Or plant the barley, beans and wheat Who'll pick the rocks and mow the roads And smile in dark defeat Who'll spend forty bucks an hour To fix a combine in the fall And his last red cent to save his land When his back's against the wall Yes they're selling out my neighbor Heard he's moving into town What will happen to this land we love When farmers all shut down.
